-Dr. Smithson was a very thoughtful and knowledgeable professor. I enjoyed his lectures and his immediate feedback on all my emails! Thank you, Dr. Smithson.

-Dr. Smithson is an absolutely incredible professor! I took the course in the Summer, so it was a little bit challenging to catch onto some of the commands via the Logic Program. However, Dr. Smithson encourages questions and is SUPER open about ANYTHING you might not understand. Furthermore, the program is free! I did not have to spend an arm and a leg this summer which I deeply appreciate as a struggling college student. In fact, I took several trips to Wilmington this summer just because of how nice and Professional Dr. Smithson is. What started as a rough class for me, gradually turned into an incredible course. I learned so much during this time and I honestly could not have done it without Dr. Smithson's guidance. 10/10 : Highly Recommended
